Meide Science and Technology Park
Pingyin Industrial Park
JINAN SHANDONG 250400 CN

This is to certify that
representative samples of CHECK VALVES
See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the
Standard(s) indicated on this Certificate.

Standard(s) for Safety: ANSI/CAN/UL/ULC-312 Standard for Check Valves for
Fire-Protection Service

Additional Information: See the UL Online Certifications Directory at
<https://q.ulprospector.com> for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

Bruce Mahlenfeld, Director North American Certification Program
